

A Complete Chess Course, How to Win at Chess, Volume II (Paperback)

By Israel Albert Horowitz, I a Horowitz

Ishi Press, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This is a combined work, taking five separate books and combining them into one volume, but then re-dividing them into two volumes. The books included in this volume are: How to Win in the Middle Game of Chess How to Win in the Chess Endings This may well be the nearest approach to the complete chess book yet devised. It brings together four books previously written by the author under these titles: How to Win in the Chess Openings, Modern Ideas in the Chess Openings, How to Win in the Middle Game of Chess, and How to Win in the Chess Endings. These four books constitute a Short Course in Chess Play particularly adapted to the beginner who has learned how to make the moves and how to read chess notation but is groping for signposts in the vast range of chess knowledge and literature. In the first two books the most popular openings are classified by their individual moves and by their grand strategy. Each opening discussion is followed by a Chess Movie, a game so profusely illustrated with Diagrams...
